

SINGAPORE.

**Masonic Hall, Singapore from Friday: 30 October 2026 to
Sunday: 1 November 2026.**

Location:

The Seminar will be held at the main temple of Masonic Hall, 23A, Coleman Street, Singapore 179806.

This will result in costs being substantially lower than they would if it was held at a third-party location

The temple can seat about 100 persons. It has audio video facilities, which are OK but rather basic. The seating would be in a theatre type format

On the 2nd Floor there is a restaurant called The Masons Table run by a third party.

The restaurant can be used for the festive board.

The main room can take 120 persons and the bar room 50 persons.

In the Basement there is a bar run by The Masonic Hall Board that provides drinks and can also provide snacks.
